The Center offers a variety of consulting services for instructors, departments, and colleges. Contact the Center for Teaching Excellence at cte@tamu.edu to set up an appointment today!

Make an Appointment with Us!
Instructors with specific questions related to teaching methods and instructional success are invited to schedule an individual consultation with a member of our staff. Appointment options include face-to-face, phone, or Zoom.

Group consultation is also available for those instructors engaged in team teaching, instructors who are teaching coordinated multi-section courses, and departments engaged in activities like curriculum redesign or teaching observation.

CTE contacts are listed on this document along with a partial list of their areas of expertise. If you do not see the topic you have questions about, email cte@tamu.edu to be connected with a member of our team.
